

A) If your Google Extensions

are ghosted or are not showing up simply go here to the **Upper Right of Google Chrome** and Select the 3 little bars

B) From here select Settings

C) Click **Extensions** link on the **far Left** and Click the **Checkboxes** that you want enabled !!
It saves automatically !!

The screenshot shows the Chrome 'Extensions' page. On the left sidebar, the 'Extensions' link is highlighted with a black arrow pointing to it. The main content area lists two extensions: 'Adblock' (version 2.6.18) and 'Better Pop Up Blocker' (version 2.1.6). The 'Adblock' extension is currently enabled, indicated by a checked checkbox. The 'Better Pop Up Blocker' extension has an unchecked checkbox. A speech bubble with the text 'Click Checkbox the Enable' and an arrow points to the unchecked checkbox for 'Better Pop Up Blocker'. The 'Developer mode' checkbox is visible in the top right corner.

Chrome Extensions Developer mode

History
Extensions ←  Adblock 2.6.18 Enabled 
The most popular Chrome extension, with over 15 million users! Blocks ads all over the web.
