

A) Click the upload button

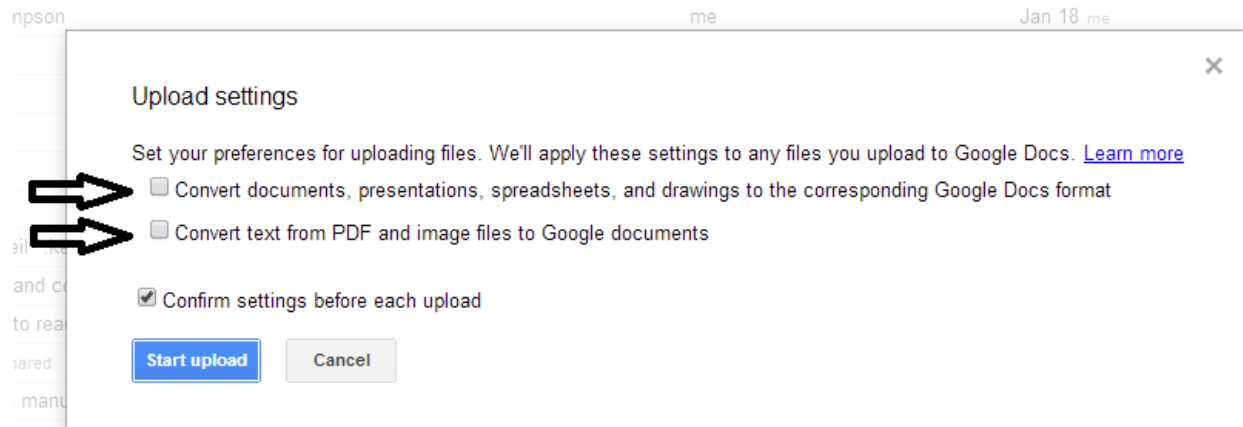

B) Select Files..

C) Select the Kurzweil *.kes file and Click Open Button

D) NB!!! **Uncheck** the 2 convert checkboxes and Click **Start upload** button

E) This window will appear say that upload is complete...BUT the file wasn't converted...which is good !!!

F) The *.kes file also appear in your My Drive list. Perform a **Right Mouse Button Click**, Select **Open with** and Select **Read Write for Google**

Believe it or not the Read Write program converts the Kurzweil file *.kes to a readable text file that allows Read Write to use it with its text voice engine to read aloud

Read the selection below and answer the questions that follow.

Who ate pasta first?

The October 2005 issue of Nature magazine reported that archaeologists found a 4000-year-old bowl of noodles at

1

Are noodles as old as paper? The discovery of ancient noodles along with paper has been a hotly debated topic.
