ACCOUNT

call when an operator helps you complete a call or 411 Directory Assistance call made from your Rogers Home Phone line (plus long distance, if applicable), even if the number you have requested is unlisted.

2.3.7. Video On Demand and Pay Per View Programming. If you subscribe to Rogers Digital Cable TV service, then movies and other programming are available through your digital box (excluding digital adapters) on an on demand and pay per view basis. A pay-per-use fee will apply to each movie or other program that you rent. For current rates and selection, go to Channel 100 for On Demand programming or tune to a Pay Per View channel for Pay Per View programming.
